Contest Rules

- Photos must be taken within the boundaries of Great Swamp National Wildlife Refuge.
- Photos should be taken between July 1, 2007 and June 30, 2008.
- Refuge scenes, wildlife, plants, fungi or other nature subjects are eligible. Try to get shots of unique species of wildlife, refuge scenes, or plant life—or try to take photos of common species doing something remarkable.
- Digital images: Submit on a CD-ROM or floppy disk, no e-mail entries will be accepted. Multiple files must be specifically identified on the entry form. Acceptable file formats are bmp, jpg, jpeg, or tiff.
- Prints: Color and black & white prints and slides will be scanned. Do not submit your negatives. Do not enlarge or mount your prints.

Entry Requirements

1. Each entry must be accompanied by an entry form.
2. There is a limit of five (5) entries per person.
3. Amateur photographers only.
4. All entries become the property of Friends of Great Swamp and may be modified and used for publications and presentations. Entries will not be returned. Photos from previous contests have been used in the Friends newsletter, on flyers, in the new refuge video, and in expanding our Image Library. Thank you photographers!

Youth Category

If you are age 16 or younger, you qualify for the special Youth Category; separate winners will be selected.

Contest Judging

Winners will be announced at the Fall Festival, September 6, 2008. Prizes will be awarded to winners.
